

## SR522 Improvement Project

### **CONSTRUCTION UPDATE – January 12, 2010**

#### **New Reflective Pavement Markers on SR 522**

The City of Kenmore recently installed new reflective pavement markers on SR 522 from 65th Avenue NE to 83rd Place NE in order to improve safety and visibility along the corridor. Thanks to the community for passing on your visibility concerns. We hope you enjoy safer travel through Kenmore due to these new reflectors.

#### **Pavement Overlay at 73rd Avenue NE and NE 181st Street**

Crews have completed the final pavement overlay at the intersection of 73rd Avenue NE and NE 181st Street. Once the fire station storm drainage work in the intersection was complete, the contractor was able to finish this paving work. Minor improvements and signal work will continue at the intersection. Signals will be operational by February 2010.

#### **Upcoming Activities**

Several central segment activities are in progress right now and will be completed in the coming months, including:

- Traffic signal work at the intersections of NE 181st Street and 68th Avenue NE and 73rd Avenue NE and the intersection of 68th Avenue NE and SR 522.
- Conversion of overhead utility wires to underground service.
- Illumination and street lighting work.
- Completion of landscaping and property restoration.
